

## Interest and Charges Tariff

### Interest payable on accounts

The rates of credit interest payable on our accounts are set out below.

Unless we tell you otherwise interest is variable (and can therefore fall as well as rise). Interest will be calculated daily on the cleared credit balance and applied and compounded on a monthly basis, in arrears, on the last banking day of each calendar month and on the date you close your account (or, where this does not fall on a banking day, the next banking day).

Interest payments are calculated on a gross basis and paid without deduction of tax.

### Current Accounts

		Gross p.a.	*AER
GBP	Balance to GBP50,000	0%	0%
	Balance over GBP50,000	0%	0%
USD	Balance to USD60,000	0%	0%
	Balance over USD60,000	0%	0%
EUR	Balance to EUR60,000	0%	0%
	Balance over EUR60,000	0%	0%
CHF	Balance to CHF60,000	0%	0%

AUD	Balance to AUD80,000	0%	0%
	Balance over AUD80,000	0%	0%
NZD	Balance to NZD100,000	0%	0%
	Balance over NZD100,000	0%	0%
JPY	Balance to JPY10,000,000	0%	0%
	Balance over JPY10,000,000	0%	0%

For Current Account(s) different rates of interest apply to balances up to, and then above, the thresholds set out above. Interest is paid on amounts up to and including the threshold at the first interest rate set out above for the relevant currency. Where your balance exceeds the relevant threshold, interest is paid on the amount of your balance above that threshold at the second rate set out above for the relevant currency.

\*AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. As every advertisement for a savings product which quotes an interest rate will contain an AER, you will be able to compare more easily what return you can expect from your savings over time.

## Our Charges

The charges that apply to our accounts are set out below

1. The following charges arise at the time the transaction/service takes place. They accrue during the calendar month (to the last business day) and the resultant aggregate sum is charged to the account during the following month. A notice detailing the charge and the date it will be applied will be sent to you. These charges apply to GBP current accounts only.

Cheque with payee narrative	£2.00	The cheque number and payee's name will be shown on your statement
Cheque without payee narrative	£1.50	Only the cheque number will be shown on your statement
Automated debit	£0.30	Direct debits and card debits (including ATM Cash Withdrawals via GBP Charge Card or GBP Debit Card)
Automated credit	£0.30	Inward CHAPS and Faster Payments, inward standing order and Credit Clearing receipt (NB: there is no charge for inward SWIFT payments)

**5. Underwriting General Operating Accounts & Underwriting Auction Accounts (Not available to all clients. Restrictive conditions apply.)**

An annual fee of £230 is payable by each client holding Underwriting Accounts. The fee will be debited to GBP Underwriting General Operating Accounts annually on the last banking day of August. For new Underwriting Account clients whose Underwriting Accounts are opened during the charging year, a pro rata fee will be charged on the date of account opening. In the event that a client’s Underwriting Accounts are all closed during the year, a pro rata refund will be made on the date of account closure.

## Notes

- The above charges apply to both Personal and Non-Personal accounts.
- Young Persons (personal clients under the age of 25) are not charged for day-to-day transactions (meaning the Charges detailed in Section 1 above) up to and including the calendar month in which their twenty-fifth birthday falls.
- Clients may ask that we provide additional services, either on a permanent or ad-hoc basis, and this may incur an additional charge. Any additional charge will always be discussed and agreed before the additional service takes place and will generally be calculated on a time spent basis.

## Foreign currency exchange

Payments or withdrawals made by debit card or charge card in a currency other than the currency of your account will be converted into the currency of your account using the MasterCard exchange rate on the day MasterCard processes the transaction. The rate used by MasterCard will be shown on your statement and can also be found using the MasterCard Currency Conversion Tool on MasterCard's global website – [www.mastercard.com/global](http://www.mastercard.com/global). Alternatively, please contact your Private Banker for details of a specific transaction.

Any other payments made to or from your account in a currency other than the currency of that account (other than payments or withdrawals made by debit card or charge card) will be converted at the Hampden Bank exchange rate. For amounts of up to £25,000 (or currency equivalent), we calculate the rate at the start of each banking day by reference to MarketMap. For sums in excess of £25,000, the rate is calculated by reference to MarketMap at the time the transaction takes place. Please contact your Private Banker for details of applicable rates.

## Overdraft interest and charges

We only provide arranged overdraft facilities in GBP.

Interest rates for arranged overdraft facilities are agreed with each client individually but will always be quoted as a margin above the reference rate detailed below.

An arrangement fee is normally payable for establishing an overdraft facility. This is agreed with each client individually but would not normally exceed 1% of the facility amount.

Overdraft facilities are usually renewable annually and a renewal fee is normally payable. Again, this is agreed with each client individually but would not normally exceed 1% of the facility amount.

**In the event that you overdraw your account where no arranged overdraft facility is in place (unarranged overdraft) you will be charged interest at a margin of 6% above the appropriate reference rate quoted below.**

**In the event that you exceed an arranged overdraft facility you will be charged interest at the same margin as applies to borrowing up to the arranged overdraft facility limit. You will not pay any other charges in relation to borrowing where you have an unarranged overdraft facility or where you exceed an arranged overdraft facility.**

Details of our borrowing interest rates are available to clients on request.
